

Village of Germantown Wisconsin

SUMMER | JULY 2024

LIBRARY

The Germantown Community Library is excited to announce the new outdoor patio!

As the community continues to grow, so too does the need for the library and its services. The expanded patio area will provide additional outdoor space for patrons of all ages. The project includes concrete work by Cervantes Concrete Services LLC – which doubles the previous footprint and adds and ADA pathway and area for a bike rack. Additional items include two new picnic benches, play houses, a musical instrument area and other early literacy items.

The patio has been an important part of the library since the building was first constructed in 2002. The benches were purchased in loving memory of Inga Hargan by Charlie Hargan, family and friends and have been placed back on the patio area now that construction is complete. Over 250 bricks were also were purchased from 2000-2024 in donation to the library. These have been moved along the outside of the patio area and are now available to view by the public.

The Germantown Community Library is proud to state that the project was 100% funded by donations. We have raised about \$35,000 – 70% of our total goal of \$50,000 for the project. The patio area has bricks left available to be engraved in recognition for donations starting at \$100. Don't miss your chance to be part of this project and leave a legacy for decades to come!

Items as part of the musical flower garden area will also be added later this summer and include harmony flowers, petal drums, liberty bells and a cavatina xylophone. The MOMS Club of Germantown is continuing to raise funding for this area in memory of Alison Bruno. Donations can be made visiting our website, filling out a form at the library or online through the MOMS Club GoFundMe page:

<https://www.gofundme.com/f/harmony-flower-project-in-memory-of-alison-bruno>

Thank you to our Patio Project Corporate Sponsors!

CONSTRUCTION UPDATE

- The intersection improvements at Lannon Road and Maple Road will begin on Monday July 2, 2024. This project is managed by WISDOT and is intended to improve the intersection alignment and safety, along with the roadway improvements and traffic signal upgrades. For up to date information on this project refer to WISDOT at 511wi.gov or by calling 511.
- The annual road program and seal coating program will begin in mid-to-late July. For impacted roads refer to the Village of Germantown Website:
<https://www.germantownwi.gov/727/Road-Program>
- Maple Road will be reconstructed this summer from Appleton Avenue to the I-41 Bridge. The schedule for that work will be communicated once it is known.
