- I understand that, regardless of the justification and/or information provided in support of my application, the Village is under no obligation to approve my application nor amend the Comprehensive Plan as requested;
- I am aware that the approval of an application to amend the Land Use Map only amends the Land Use Map and does not otherwise revise or change the zoning of the land affected by the Map amendment, and, if I am applying for a Map amendment in order to pursue actual development of the land affected by the amendment, I may be required to obtain separate permits and/or approvals (e.g. rezoning, land division, site plan, etc.) from the Village or other agencies as a prerequisite to the development of such land.
- I understand that the Village will decide when and if my application will be considered and does not have a prescribed or mandatory schedule for processing 2050 Plan amendment applications; Unless I am advised by Village staff to the contrary, the Village typically only considers proposed amendments once per year as part of an annual evaluation of the overall 2050 Plan and the implementation actions set forth therein.
- I understand that Village Staff is required to post one or more signs along the street frontage of and/or on the property of this application that indicate to nearby property owners and the general public that a public hearing of my application will be held before the Village Plan Commission and/or Village Board prior to action being taken on this application; I hereby grant Village Staff permission to enter onto the property for the expressed purpose of installing said sign(s) provided Village Staff is responsible for installing, maintaining and removing said signs in a reasonable manner and timeframe.
